Description of reporting concern ³	

¹ If the CUSO is in NCUA's [CUSO Registry](#), use the name reported in the registry. If the CUSO is not in the registry, use the CUSO name as reported by the credit union.

² NCUA assigns a number to each CUSO that begins with "111-." Numbers that begin with "TT-" indicate that the CUSO has not been reported through CU Online nor validated as a CUSO. Contact your regional office for more information about these reporters.

³ Examiners should provide a description that is specific enough that office staff can understand and accurately describe the issue in any communications with the CUSO and/or credit unions.
